

# Packrat Louis Kitchen & Bar

## Project Owner

Jodh Singh

## Project Location

Edmonton, AB

## Time Frame

Start: March 2017

Completion: May 2017

## Project Value

\$280,000

## Contract Type

Stipulated Price

## Project Summary

- Interior and exterior renovation of an existing restaurant.
- Polished concrete floors.
- Reclaimed timber feature walls.
- New bar area featured custom millwork and displays.

## Challenges and Achievements

- The Packrat Louis building owned by the City of Edmonton is located in a Historical neighborhood and the exterior revitalization had to be performed as per historic guidelines and reviewed then approved by the City.
