To Whom It May Concern,

I am writing this letter to recommend the services of Goldwing Construction Inc.

Last summer Goldwing Construction was awarded the project to replace the gym ceiling at Eastview Middle School in Red Deer. The project was completed within budget, and to our pleasant surprise a week earlier than scheduled. The Project Manager Jay Ladiana and Site Supervisor, Gary Guindon always followed through with all tasks and communicated effectively with our team and our consultants. The project was a success because of Jay's management of the project and Gary's problem solving skills. During the closing inspection of the project there were no outstanding items to be addressed.

I would highly recommend Goldwing Construction Inc. because of their high level of professionalism and project commitment.

Please feel free to contact me if you have any questions or require additional information.

Sincerely,

Peter Farmakis P.Eng. M.Eng.
