No Incidents

Project Summary

- Modernization of the main lobby.
- Renovation of the Party Room.
- Build out of a new Fitness Room.
- New paint and carpet to corridors, 13 stories.

Challenges & Achievements

- A large portion of this project was providing a fresh look to the main lobby of an occupied residential building. Our primary focus was maintaining access, while ensuring the safety and comfort of the residents. We are proud to say we have been welcomed back to perform additional work at this property.
